

WORKSHOP: UPPING YOUR GAME

UPPING^{YOUR}ELVIS

DURATION

Two days (over three days)

WHERE

Lyme Regis, Dorset

WHAT?

A two day retreat based workshop (over three days) to allow individuals the space to step back from the busyness to focus on what they need more of in their work and how they can deliver that. At the core of the workshop is looking at how people can make a bigger impact and how they use their time. A human, energetic and soul filling adventure designed to make you more engaged and alive.

WHERE?

At the stunning Elvis HQ in Lyme Regis, Dorset. Founder Chris's Georgian mansion home allows people to feel relaxed and able to contribute immediately. There are acres of grounds to enjoy and sea air to breathe. Feeding your mind, body and soul.

WHAT YOU GET

- Personal brand work, working out who you really are and where your strengths lie
- How to tap into your passions to get you more excited about the future of your business and your role in it.
- Learn how to become more conscious in work and life, with simple strategies to avoid autopilot kicking in
- Discover how to embrace flexibility, experimentation and collaboration.
- The skills to bring creativity to all that you do.
- How to manage your energy on a daily basis so there are more days where you jump out of bed raring to go
- Learn how to lead for change and make it enjoyable at the same time
- A human and fun filled experience with like minded, supportive folk
- Delicious and nutritious food, fresh air and a celebratory party night
